

## Permit Transfer Form

### California Codes of Regulations Title 4, Chapter 6 Section 2425 – Permit Transfer Process Form

The Department will change its records to show a new permittee for a valid, renewed, and unrevoked permit when one of the following occurs:

Make selection and place an “X” in the box.

- ☐ (a) The permittee provides a written transfer notice to the department that identifies the permit number and the new permittee’s name and business address.
- ☐ (b) The permittee returns the renewal application during the renewal period identifying the new permittee’s name and business address.
- ☐ (c) The department receives a bill of sale signed by the permittee that transfers ownership of the permit.
- ☐ (d) The department receives documents proving the permittee is deceased and the display is transferred. The new permittee shall provide the information required in subsection (a).
- ☐ (e) A court orders requires or authorizes the transfer
